MUSIC	
School Division	Safety Protocols
Early Ed Schools (Junior & Montessori)	<ul style="list-style-type: none"> <li>Physical distancing of two metres or more will be in place between all students and the teacher will be further distanced from the students when in the classroom</li> <li>Virtual teaching (real time synchronous) will also occur so that the music teacher does not enter the cohort's classroom every day to reduce contacts (homeform teacher remains in the classroom for supervision and support)</li> <li>No shared instruments/materials</li> <li>Students are in a single cohort and not travelling to a specialized music classroom; instead the music teacher travels to each cohort's homeform classroom</li> <li>Lessons include percussion and some singing, however, singing will be very minimal (i.e. call and response with individuals, short phrases with group). This greatly reduces the risk of airborne particulate transmission</li> <li>Percussion instruments and equipment will be individualized and not shared</li> </ul>
Middle School	<ul style="list-style-type: none"> <li>Students will sanitize hands upon entering and exiting</li> <li>Physical distancing of two metres or more will be in place between all students and the teacher will be further distanced from the students when in the classroom</li> <li>Students will have their own individualized equipment (drum sticks, mallets)</li> <li>Students will wipe down their own chairs at the end of each class</li> <li>Any shared percussion instruments will be sanitized between uses</li> <li>Music lessons will include music appreciation, percussion (performance), music theory and composition</li> <li>There will be no singing (choral classes) or wind instruments for now (to be reassessed as the year progresses)</li> </ul>
Senior School	<ul style="list-style-type: none"> <li>Physical distancing of two metres or more will be in place between all students and the teacher will be further distanced from the students when in the classroom</li> <li>Senior music classes are scheduled in the Paikin Music Room where the space is extremely large and the number of students in each class is relatively small so physical distancing has been maximized</li> <li>The vast majority of music students do not share instruments or equipment</li> <li>Any shared instruments like percussion are sanitized after each use</li> <li>Specialty masks designed for wind players and vocalists will be worn by the students</li> <li>Plexiglass barriers will be used in front of each instrument/player to further reduce chances of transmission</li> <li>Singing will happen outside when possible</li> </ul>

HEALTH AND PHYSICAL EDUCATION	
School Division	Safety Protocols
Early Ed Schools (Junior & Montessori)	<ul style="list-style-type: none"> <li>Students will sanitize hands (washing or using hand sanitizer) before and after HPE Class</li> <li>Students will wear masks in the hallways</li> <li>Students in Grade 4 will wear masks at all times while indoors</li> <li>Students will practice physical distancing (six feet) using the stickers in the hallways</li> <li>When we are outside students will practice zombie arms or windmill arms (three feet) to maintain distance when we are walking out to the fields</li> <li>Students have the option of taking off their masks when we are outside</li> <li>Students will be allowed to take off masks only when we are exercising vigorously in the gym</li> <li>Students will not touch each other at any time</li> <li>Students will respect the personal space of others</li> <li>Equipment used by one cohort must be sanitized before it can be used by another</li> <li>Students do not need to change for HPE</li> <li>Students will have designated spots identified by stickers or tape in the gym which are six feet apart</li> </ul>
Middle School	<p><b>Change Room Procedures:</b></p> <ul style="list-style-type: none"> <li>Grade 5 students do not need to change for HPE; only students in Grades 6, 7, and 8 are required to access the change rooms</li> <li>Students will sanitize when they enter and exit through change room doors</li> <li>Students are required to check in with their PE teacher prior to entering the changeroom</li> <li>Students may need to remain outside on the floor markings maintaining social distancing while other students finish changing</li> <li>Students need to hand sanitize before entering the changeroom</li> <li>Students must wear their mask at all times while in the hallways and change rooms</li> <li>Students in even cohorts will go to the right. Boys will change in the upper Page boys' change room and the girls will change in the lower Page girls' changeroom and meet in the Page Gymnasium.</li> <li>Students in odd cohorts will go to the left. Girls will change in the upper Page girls' changeroom and the boys will change in the lower Page boys' change room and meet in the DeGroote Gymnasium</li> <li>In each of the changerooms there are large social distancing stickers placed in socially distanced spaced areas. Smaller social distancing stickers are at each of the entrance hallways for all four changerooms for students to wait. The large flow stickers are posted to move traffic through the change rooms as the flow for some of the changerooms is new.</li> <li>The flow indicates entering from the closest door to the Lawson Hall entrance and exiting the opposite door of each of the changerooms.</li> </ul>
