

**Invest in a Child's Journey Today!
Please support Excelsior by June 30rd, 2011**

A child's journey begins their first day on campus and continues long after they have graduated. The Excelsior Annual Giving Campaign helps to enhance that journey through the funding it provides to our students each and every year. Your gifts make a real difference, providing additional learning resources in the classrooms, in the theatre, the music programs and arts studios, in the gyms and on the sports fields.

Won't you please join us by making your tax-deductible gift today? Your donation will directly influence the lives of all students at HSC. Donated funds are distributed across all four schools annually to support the many "extras" offered in an HSC education.

Our goal is to meet or surpass last year's fundraising result of \$170,000 by June 30th, 2011. One hundred percent of your donations to the Excelsior Annual Giving Campaign flow directly to the benefit of our students across all four schools. Each and every gift, no matters its size, makes a difference.

To pledge your support today, please complete a donation card and return it to the College to the address below. Tuition fees alone do not cover the cost of the enriched learning environment that is the hallmark of an HSC education. Annual gifts make up the difference between what tuition covers and the actual cost of operating our school to such a high standard.

Thank you for your past support, and for your consideration of this request.

Yours sincerely,
