

## Our Mission:

We are parent volunteers providing support to enhance the learning environment and community of HSC.

## Come Join the HSC Parents' Association Representative Committee

Each spring, the Parents' Association seeks nominations to prepare a slate of Officers and Representatives for the following school year.

The purpose of the Parents' Association is to provide support to enhance the learning environment and community of Hillfield Strathallan College. **All parents and guardians of current students are members of the Parents' Association.** The forum where community events are planned, implemented and evaluated is the Representative Committee. These events include Winterfest, On-line Auction (introduced in 2009), February Event, Fair Day and the June Luncheon/Fashion Show, and a Gala (2008). The Representative Committee meets the first Thursday of most months at the school.

If you can commit to a monthly meeting and assisting at Winterfest and Fair Day, the Representative Committee welcomes your membership as a voting member and volunteer.

If you cannot commit to a monthly meeting but still wish to be involved in the community events we still welcome your contribution as a volunteer.

**Nominations will be accepted until May 29<sup>th</sup> 2009.**

Nominate yourself and/or another parent, by completing the form below and return it to the College's Main Office. *(Nominations received after May 29<sup>th</sup> may not be published in the summer mailings, but will be included in fall communiqués.)* **We welcome new members to the Representative Committee.**

If you would like more information, please contact [bonnie.lendrum@hsc.on.ca](mailto:bonnie.lendrum@hsc.on.ca)

Sincerely,  
Bonnie Lendrum  
Parents' Association, Nominating Chair, 2009.
